

Single-User License Agreement for Access to Fairfax Music Digital Files

PLEASE READ BEFORE DOWNLOADING DIGITAL FILE!

Fairfax Music agrees to deliver the digital file(s) to the Licensee ("You") on the condition that You accept the following terms of use ("Agreement"). By downloading the digital file, You are accepting and agreeing to the terms and conditions of this Agreement which constitute a legal agreement between You and Fairfax Music. If You do not agree with the terms of this Agreement, You should not download the digital file. Once the digital file is downloaded and received by You, no refunds or exchanges for the digital download will be given, except as may be necessitated by a technical issue.

1. License

A. Fairfax Music hereby grants You a non-exclusive, non-transferable license to the digital file for your sole use.

B. You may install the file on your computer and on up to four others of your personal devices if they are accessible by only You.

2. Authorized Use

A. The digital file is copyrighted by Fairfax Music, as indicated. Except as specified herein, no part of the digital file may be reproduced or transmitted in any form, including transmittal by e-mail, by file transfer protocol (FTP), or by being made part of a network-accessible system, without the prior written permission of Fairfax Music.

B. Under no circumstances are You permitted to reproduce or distribute all or part of any document for external use or for use in any other site or group of sites.

C. You may not sell, sublicense, lease, rent, modify, merge, adapt, translate, assign or otherwise transfer any of the digital file or parts of the file, or remove any proprietary notice, watermark, or label appearing on the file, including any copyright and trademark notices.

3. Intellectual Property

All intellectual property contained within the digital file, and all trademarks, service marks, copyrights, ownership and other rights therein are and shall remain the sole and exclusive property of Fairfax Music.

Fairfax Music reserves the right to change file settings, permissions, and modes of access on subsequent file downloads at its discretion without prior notice.
